Indiana state law requires "All children under the age of 8 must be properly restrained in a child safety seat or booster seat according to the child restraint system manufacturer's instructions." (per IN.gov website 2019)

For this reason, parents of children under the age of 8 will be asked to provide (usually during morning drop-off) a safety/booster seat for trips involving vehicular transportation.

\_\_\_\_\_ **Please initial to acknowledge your understanding of this requirement.**

If your family desires additional transportation requirements (i.e. specific safety seats, a safety seat for a student beyond the state age requirement, driver or vehicle limitations), please express those requirements below. The Acacia staff will work with you to accommodate those requirements when feasible.
